Baptism

Title: 236 - The Greatest Invitation

Author: [Walter Veith](#)

Description: The greatest invitation is to surrender all and to follow Christ. Jesus commissioned His disciples to preach the gospel and to baptize those who believed in the name of the Father, the Son, and the Holy Spirit. But did He mean infant or adult baptism? Is there a right way to baptize-sprinkling, pouring, immersion - or does it matter? What does the Bible reveal about this controversial issue of baptism - the true celebration of Christ's resurrection.

Covenant of Peace

Title: 535 - A Covenant of Peace

Author: [Daniel Pel](#)

Description: God wants a personal relationship with us, revealed in His covenant of peace. And yet the covenant theme in the Bible has often been misunderstood and misapplied, resulting in confusion rather than peace. A panoramic picture of the two covenants in Scripture lifts the cloud of fog on this subject, inviting us into a relationship that changes our lives forever.

Daniel 2

King Nebuchadnezzar's Dream

Title: 204 - The Mists of Time

Author: [Walter Veith](#)

Description: In Daniel chapter 2, King Nebuchadnezzar has a dream in which he sees a great statue through which is to be revealed the history of the world to the very close of time. The startlingly detailed vision tells us where we are in the stream of time and what events are about to occur on Earth. This vision is analyzed in detail and history vindicates its authenticity.

Daniel 7

Identity of the Antichrist

Title: 205 - The Man Behind The Mask

Author: [Walter Veith](#)

Description: The Bible and the Bible alone are used to identify the Antichrist power. The little horn power of Daniel 7 with its twelve clear identifying features points to the only one who can qualify as Antichrist. Modern day deceptions regarding the little horn power, the doctrines of preterism (that the Antichrist existed in the past) and futurism (that the Antichrist will come in the future) are contrasted with the plain Biblical teachings. The word of God is sharper than a double-edged sword cutting even to the marrow.

Daniel 8 and 9

2300 Days/Years

Title: 232 - 1844 & The Final Onslaught

Author: [Walter Veith](#)

Description: This lecture deals with the culmination of the 2300 day/year prophecy of Daniel 8 and 9. It shows that the same animosity which culminated in the crucifixion of Christ will be manifested at the close of time. In the corridors of secret societies, and in new age thinking, there is a movement to destroy those who believe in salvation in Christ alone, and in the veracity of His word.

Evidence is presented for the plans to eradicate those who stand for truth and righteousness. This lecture includes a discussion on the judgment hour message, significant happenings in 1844, a look at the Bahai faith, the theory of evolution, the Georgia guide stones, and the plans for worldwide population depletion.
