

\$10,000.00 Reward

The *Berean Commandment Keepers* offer anyone who can prove from the Scriptures **alone** that any of our **major doctrines** are wrong. We know sound doctrine never contradicts other writers; see '*Sound Doctrine ~ Detailed*' on our web site.

Has any other denomination offered a reward to prove their doctrine wrong according to scriptures and scriptures **only**? Actually the Roman Catholic's offered the following in 1905:

"I have offered and still offer \$1000 to anyone who can prove to me from the Bible alone that I am bound, under grievous sin to keep Sunday holy. It was the Catholic Church which made the law obliging us to keep Sunday holy. The church made this law long after the Bible was written. Hence said law is not in the Bible. The Catholic Church abolished not only the Sabbath, but all the other Jewish festivals.

Respectfully T. Enright CSSR."

No one has ever collected the money; I wonder why?
