

Human Nature

Our Adam fallen nature our human nature, our satanic nature is inauthentic and always wants to, try to:

1) Look Good 2) Be Right or 3) Win

Fig leaf covers our: Fear, Guilt and Shame;

Voice in our head says: you're not good enough, you don't belong, something is wrong, you don't look good enough, you have no value give it up, ... these are all Satan's lies.

Fear	Dominates	Future	(There is no fear in the present)
Guilt	Dominates	Past	
Shame	Dominates	Present	

Life is threatening.

Christ like nature, truth authentic, life looks good:

Confidence, Freedom, Peace of Mind, Joy, Freedom of Expression,
Fruits of the Spirit Gal. 5:22

Adam's Life

God's Life

DECIDE

CHOISE

Decide to kill off the other Choise Chossing the power of God.

De cide

Choose this day whom you will serve

Sui cide

Choose to be happy, Joyful, Peaceful

Pesta cide

Choose to be satisfied, trust

Adamic nature, human nature, satanic nature, which is most people decide to follow Jesus because they don't like Satan not because they love Jesus but because they decided Jesus is the better option than Satan.

Christlike nature, chooses Jesus because of freedom and power to choose.

Choosing is acceptance. Acceptance is the most powerful form of LOVE.

Happiness is not what you are but who you are.

Complaints

Suck the life out of everything.

What's living behind a complaint?

Ugly payoff

You are right	They are wrong
You look good	They look bad
You win	They lose
You dominate	They submit
You justify	They are unjust

Do not complain but make a powerful request = Please = no force

With God you are born again, you start out with nothing like a baby. They have no life as a baby but their whole life is ahead of them and they can choose to be whatever they want to be.

So die daily and be born daily; the past is the past the future is all yours.

What happen

The Story

Our past, abuse, no father, // Our meaning

No mother, neglect, bullied, // Our pain

Skinny, fat, poor, rich // Our way of life

None of the above has // Don't give what happen a story!
Anything to do with you!! // Don't give the past garbage a
Send it to the garbage bin. // Meaning, reasons & excuse in the
// Way you are and choose to live.

The way of being, your mind frame is what you choose.

The past has nothing to do with the present.

You are who you are not because of the past but

The way you choose to be in the future.

What do you choose to be?

I choose to be a Great child of God and a Loving Husband.

To choose to live for God you must get rid of the Adamic, human, satanic nature. You must live for the future, "I am going to be like Jesus."

You must separate the events of the past, the "what happened" from the "Story" and then they both become the past and **you are free** to live in the present.

What you "live into" is the future, gives you the present.

You must become like a little child so that you can go to heaven.

Little children have 100% trust in their heavenly Father,

They do not have to look good, be right or win.

What's possible in God's life of integrity = your word = your name =
you want to be like Christ and your last name is Christian.

God's life is a world of:

Possibility

Anything and everything //

Is possible //

According to God's Will //

Reality

Exists

We are Child of God Today

Daily speak the possibilities of what you could be in Reality.
