*If necessary

Beginning with sin, the Grand Week consists of a week of millennia.

This calendar is Spring-to-Spring.

B.C. = Before Christ
FC = From Creation
A.D. = After Christ's Birth

Note: The chart below has three absolute dates that are derived from the chart above. The year of the Exodus is 1437 B.C., the year of Christ's death is A.D. 30 and April 10, 1994 marks the end of 70 Jubilee cycles. We do not know how long Adam and Eve lived in the Garden before they sinned. Therefore, the precise location of the 6,000th year of sin is unknown.
