

Second Coming; When?

Introduction

1Thess. 5:1 **The Second Coming:** Now, brothers, about times and dates we do not need to write to you, ² for you know very well that the day of Christ will come like a thief in the night. ³ While people are saying “**Peace and safety**,” **destruction** will come on them suddenly, as labor pains on a pregnant woman, and they will not escape. ⁴ But you, brothers are **not in darkness** so that this day should surprise you like a thief. ⁵ You are all sons of the light and sons of the day. **We do not belong to the night or to the darkness.**

God made everything known about the First Coming with over 50 prophecies in the Old Testament. He has also made everything we need to know about the Second Coming in the Bible. (Isa. 46:10; John 14:29; 15:15; 1 Thess. 5:1)

Most people are afraid of studying the time when the Second Coming will be, but we all believe He will come soon. What we really want to know is, “**How soon is soon**”.

1Thess. 5:1, tells us that the *times and dates* are not to be written down for everyone to know but we who study the Bible will know the signs of the end of the world. It will be when *people are saying “Peace and safety”*, and then *sudden destruction* will come. If we **study** about this *sudden destruction*, we will know about the End Time Events and the Second Coming because we are *sons of the light* and *this day* will not surprise us. However, we will not know the date **until** the start of the *sudden destruction* which is written about in Revelation’s seven trumpets. Details are on the website www.eternal-life-made-easy.com on “The Last 1335 Days”. Let’s study “*Peace and safety*”.

Peace and Safety

The only world news events we have to watch for, to know how close to the Second Coming we are, is to watch the events that are leading this world to “**peace and safety**”.

Peace and safety from what? From radical religious groups that cause harm to our safety. Years ago we watched for these signs and were very elated when the Catholics and the Protestants of Ireland stopped bombing each other. This brought “**peace and safety**” to their land. We also watched the Pope’s actions of maneuvering himself into the position of Spiritual Leader of the World. He went around the world jumping into the beds of the major religious leader, even to the point of kissing the Koran. We also watched for the decline of the Islamic countries from being fanatical religious zealous to become like the rest of the religious world; worshipers of Ben Franklin, the all mighty dollar.

With Egypt and Syria wanting to become democracies, which has weakened fanatical Iran, we know the Second Coming is very soon.

Conclusion

The only Second Coming signs we need to watch for is the Pope growing as the Spiritual Leader of the World ^{Rev. 13} and the Islamic nations growing more tolerant of the Jewish nation and the rest of the world’s religion.
