

New Year's First Day

We know Satan has counterfeited God's plans. For confirmation of Satan's job of counterfeiting God's word read part of the Jesuit Oath in the following (more in appendix **E**):

Jesuit Oath (From Google Web)

The Society of Jesus: The Leader States:

... be a Calvinist; among other Protestants, generally to be a Protestant; and **obtaining their confidence**, to seek even to **preach from their pulpits**, and to **denounce with all the vehemence** in your nature our **Holy Religion and the Pope**; and even to descend so low as to **become a Jew among Jews**, that you might be enabled to gather together all information **for the benefit** of your Order as a faithful soldier **of the Pope**.

The New Jesuit States:

"I do further promise and declare that, notwithstanding, I am dispensed with to **assume any religion** heretical for the propagation of the Mother Church's interest; to extirpate them from the face of the **whole earth**; and that I will spare neither age, sex nor condition, and that will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics; **rip up the stomachs and wombs of their women, and crush their infants' heads against the walls** in order to annihilate their execrable race. That when the same cannot be done openly I will secretly ... as I at any time may be directed so to do by any agents of the Pope or Superior of the Brotherhood of the **Holy Father of the Society of Jesus**."

*These are a few highlights; for the complete oath Google **Black Pope** and / or **Jesuit Oath**.*

The following are some examples of **God's instructions** and what **Satan has counterfeited**:

1. Marriage	Adam and Eve	vs	Adam and Steve
2. Sabbath day	Saturday	vs	Sunday
3. Start of Sabbath	Dawn to Dusk	vs	Sunset to Sunset
4. Annual Holidays	God's Feast Days	vs	Holi-days Christmas, Easter etc.
5. Crucifixion Day	Wednesday	vs	Friday
6. Start of the New Year	Spring Equinox	vs	January 1 / Spring New Moon

Proof:

1. No need for appendix			
2. Appendix A	Saturday	vs	Sunday
3. Appendix B	Dawn to Dusk	vs	Sunset to Sunset
4. Appendix C	God's Feast Days	vs	Holi-days Christmas, Easter etc
5. Appendix D	Wednesday	vs	Friday
6. See the following.	Spring Equinox	vs	January 1 / Spring New Moon

The First Day of the New Year Starts When?

Satan Counterfeits

We know that Satan has **counterfeited everything** that God said is good. The majority of Sunday keeping Pastor's know that the weekly Holy Sabbath **day** has been changed from Saturday to Sunday, and the **annual** Holy Sabbath days, the feast of Tabernacles, the Passover etc., has been changed to Christmas and Easter etc. Also, the start of the **New Year** has been changed from the spring to January 1st. All these time **changes** started as early as **325 AD by the Pope of the Roman Catholic Church**.

What about **the start of the first day of the New Year?**

Has it been **counterfeited** by Satan too?

The Jew's and other annual feast keepers start the first day of the New Year on the day after the **crescent** of the new **moon** is sighted after the **spring equinox** or the earliest too it.

Did you know that the **Moslems keep "crescent moon"** for their **holy symbol?**

This seems very strange that Satan (Moslems) and the Jew's (God's previously call chosen ones) would have the **same symbols** for the calendar. Doesn't this seem very fishy to you?

Are the Jew's correct or is this **false doctrine?** The Jew's have already admitted, in not so many words, that they change God's "**dawn to dusk**" to the **Moslems "sunset to sunset"**, thus changing **Christ's "12"** hours of the holy day to a "**24**" hours holy day; appendix B.

John 11:9 Christ asked: "Are there not 12 hours in a day?"

Scriptural Answer Only

Isa. 8:20 To the **law** (*Torah, the first five books of the Scriptures, God's Eternal Life instruction manual*) and to the **testimony** (*The rest of the Scriptures that testify of the Torah.*) if they speak not according to **this word**, (*Scriptures*) it is because there is **no light** (*no truth*) in them. (*The absence of light = Darkness = Satanic doctrine.*)

All Eternal Life doctrine must come from the law, Torah, the first five books of the Scriptures; which are supported, amplified, and defined within the **testimonies** from the remainder the Old Testament or else *there is no light in it*.

Isa. 46:10 **“I make known the end from the beginning;
from ancient times things that are not yet done.”**

God can **never** make a mistake, **never change** and ***never lie*** ^{Titus 1:2}; He knows and ***makes known, the end from the beginning.*** He will **never alter the word that has gone out of His lips.** He will **never change his laws** because they are **perfect** ^{Psa. 19:7} as He is perfect.

Scriptures Corrupted

Mark 12:38 **Christ said: “Beware of the Scribes.”** (*Translators of Scriptures*)

1Thes. 5:21 **Prove All Things.** (*Yourself from the Scriptures.*) **Hold to the good.**

Eph. 5:6 Let no one deceive you with empty words, ... but rather **expose them.**

We must prove false doctrine wrong from Scriptures; ***expose them.***

We are to: ***“Proven All Things”***. We must check the Scribes translation to see if it matches up with the original Hebrew and Greek words by using a good translator. The translation also must not contradict the rest of the Scriptures.

~~Crescent~~ Moon in Scriptures

Is there Scriptural proof that the first day of the New Year starts the day after the New Moon *Crescent*?

No! There is none!

Crescent appears only 5 times in the Scriptures and all refer to ***“the crescent ornaments”*** of the heathens; which has nothing to do with the moon. The following is one scripture:

Jdg. 8:21 So Zebah and Zalmunna said, “Rise yourself, and kill us; for as a man is, so is his strength.” So Gideon arose and killed Zebah and Zalmunna, and took the **crescent** ornaments that were on their camels’ necks.

By using the ***crescent*** moon to determine our New Year, Months, Feasts and Sabbaths, we are following in the footsteps of the Israelites when they were in full ***apostasy*** and ***idolatry.***

New Moon Corrupted

Isa. 66:23 “And it shall be that from **New Moon** [?] to **New Moon** [?], and from Sabbath to Sabbath, all flesh shall come to worship before Me,” declares Yahuah.

What if we inserted the correct Hebrew definitions in this verse:

Isa. 66:23 “And it shall be that from [**חֹדֶשׁ** (chodesh)] the refreshing to [**חֹדֶשׁ** (chodesh)] the refreshing and from Sabbath to Sabbath, all flesh shall come to worship before Me,” declares Yahuah.

The Stone Edition Tanach version, read the same verse with the Hebrew definitions.

Isa. 66:23 “It shall be that at every **חֹדֶשׁ** (chodesh) refreshing and on every Sabbath all mankind will come to prostrate themselves before Me,” declares Yahuah.

Where did “*new moon*” originate from? Doesn’t it seem very odd that there is not any mention of the word - **יָרַח** (yerach) (moon), and yet “*new moons*” has been inserted into our translations? Once again remember what Christ said:

Mark 12:38 **Christ said:** “**Beware of the Scribes.**” (*Translators of Scriptures*)

Eze. 46:3 And the people of the land shall also bow themselves at the entrance to this gate before **יְהוָה**, on the Sabbaths and on the **חֹדֶשׁ** (chodesh) refreshing (*the New Moons.*)

Psa. 81:3 Blow up the trumpet in the **חֹדֶשׁ** (chodesh) refreshing (new moon), in the time appointed, on our solemn feast day.

Let’s install a **Hebrew definition** into the correct position:

Psa. 81:3 Blow up the trumpet in the **חֹדֶשׁ** – (qodesh), **first day of the new month** with (**Qodesh**) Holy authority and power - **כֶּסֶף** (ksa) in the day **יוֹם** (yowm) on our solemn feast day, (celebration or **chag**)

Once again, **no trace of the word for moon**, but mistranslated with *new moon*.

Moon

The word “moon” (- י.ר.ח – yerach ^{H3391}) appears over 60 times in Scriptures and is first used in Genesis 37:9 and is last used in Revelation 21:23; **none** refers to the **first day** of the **New Year**.

Est. 3:7 In the **first month**, which is the month of Nisan, in the twelfth **year** of Sovereign Ahashwērosh, someone cast Pur – that is, the lot – before Haman from day to day, and from **month** to **month**, until it fell on the **twelfth month**, which is the **month** of Adar.

Once again, **no trace of the word “moon”** for any reference to a lunar month. This give exact division that the **year has 12 months** in it. A lunar month has from 28 - 29.5 days; which gives you **13 months** each year.

Est. 3:12 Then the king’s scribes were called on the **thirteenth day** of the first month, and a decree was written according to all that Haman commanded ... ¹³ **to destroy, to kill, and to annihilate all the Jews**, both young and old, little children and women, in one day, on the **thirteenth day** of the twelfth month,

Also note that the **number 12** has a very positive and great significance in Scriptures, 12 disciples, 12 gates in the New Jerusalem, etc, but the **number 13** has a very negative connotation to it as you can see from the above. 30 days is also confirmed in Esther as below:

Est. 4:10 Then Esther spoke to Hathach, and gave him a command for Mordecai: ¹¹ “... Yet I myself have not been called to go in to the king these **thirty days**.” ^{H7970}

Thirty days ^{H7970} שלשים שלושים sh'loshîym sh'loshîym shel-o-sheem', shel-o-sheem'
Multiple of H7969; thirty; or (ordinal) *thirtieth*: - thirty, thirtieth. Compare H7991.

1 Chr. 20:1 And it came to be **at the turn** of the **year** ^{H8141} [*tequfah/equinox*]

Once again, **no trace of the word “moon”** for any reference to a lunar month.

The year expires at the **tequfah**, **at the spring equinox**; at the end of the winter and the start of spring, the New Year.

There is simply **zero Scriptural support** for the Qodesh Mo-ed year of Yahuah, being a **lunar based year**. A lunar based year connected to the important events that formed this earth, cannot be found in Scriptures.

End Time Prophecy Proof

End Time prophecy clearly shows the year to use 30 days for a solar year of 360 days; which is **definitely not using a lunar calendar system.**

Dan. 7:25 He shall speak pompous words against the Most High, Shall persecute the saints of the Most High, and shall intend to change times and law. Then the saints shall be given into his hand for a time (*one year*) and times (*two year*) and half a time. (*1/2 a year*)

Total **31/2 year, 1260 days, or 42 months.**

31/2 years x 12 months x 30 days in a month = 1260 prophetic years =

The Pope came to power **Feb. 10, 538 AD** and the Pope's power ended **Feb. 10, 1798 AD.**

Dan. 12:7 Then I heard the man clothed in linen, ... that it shall be for a time, times, and half a time; and when the power of the holy people has been completely shattered, all these things shall be finished.

Rev. 11:2 They will tread the holy city underfoot for 42 months.

Rev. 11:3 And I will give power to my two witnesses, and they will prophesy 1260 days, clothed in sackcloth.

Rev. 12:6 Then the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there 1260 days.

Rev. 12:14 But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she is nourished for a time and times and half a time, from the presence of the serpent.

Rev. 13:5 He was given a mouth speaking great things and blasphemies, and he was given authority to continue for 42 months.

These "7" scriptures that show conclusively that the Lunar years do not fit, into Yahuah's calendar. These Scriptures give no maneuvering room for man to wait for the new moon to occur. These periods of time only work with the 360 day year, 30 day month.

You may say that 360 days x 3.5 years = 1260 days; which will be 17.5 or **18 days short.**

What do you do with these 18 days?

Calculating Annual Holy Days

Four Seasons

The **winter** season **ends** the year and the **spring** season **starts** the New Year.

The **last day** of winter is the day of the **spring equinox**.

The **next day** is spring; which is **day one** of the **New Year**.

Gen. 1:14 Then God said, “Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and **seasons**,^{H4150}, and for days and years;”

Seasons^{H4150} מועד מועד מועדה mō'êd mō'êd mō'âdâh

From **H3259**; properly an *appointment*, that is, a **fixed time or season**; specifically a *festival*; **conventionally a year**; by implication, an *assembly* (as convened for a definite purpose); technically the *congregation*; by extension, the *place of meeting*;

Exo. 34:22 “And you shall observe the Feast of Weeks, of the firstfruits of wheat harvest, and the Feast of Ingathering at the **year's end**”^{H8141}

Year's end^{H8141} שנה שנה shâneh shânâh shaw-neh', shaw-naw'

The first form being in plural only, the second form being feminine; from **H8138**; **a year** (as a *revolution* of time)

Psa. 19:6 Its rising *is* from one end of heaven, and its **circuit**^{H8622}

Circuit^{H8622} תקופה תקופה t^eqûphâh t^eqûphâh tek-oo-faw', tek-oo-faw'

From **H5362**; **a revolution**, that is, (of the sun) *course*, (of time) *lapse*: - circuit, come about, end.

Scriptural Calculations for Annual Holy Days

Leviticus 23:

The Passover and Unleavened Bread Yahuah spoke to Moses, saying, ⁴ “These *are* **the feasts of Yahuah**, holy convocations which you shall proclaim at their appointed times. ⁵ On the **fourteenth** day of the **first month** at twilight is Yahuah’s **Passover**. ⁶ And on the **fifteenth day** of the same month is the Feast of **Unleavened Bread** to Yahuah; seven days you must eat unleavened bread. ⁷ On the **first day** you shall have a **holy** convocation; you shall do no customary work on it. ⁸ But you shall offer an offering made by fire to Yahuah for seven days. The **seventh day** shall be a **holy** convocation; you shall do no customary work on it.”

The Feast of Firstfruits ⁹ And Yahuah spoke to Moses, saying, ¹⁰ “... you shall bring a sheaf of the **firstfruits** of your harvest to the priest. ¹¹ ... to be accepted on your behalf; on the **day after the Sabbath** (*which is the first day of the week, Sunday, after second holy unleavened Bread day*)

The Feast of Weeks: Pentecost ¹⁵ “And you shall **count** for yourselves **from the day after the Sabbath**, (*which is Sunday*) from the day that you brought the sheaf of the wave offering: seven Sabbaths shall be completed. ¹⁶ Count **fifty days** to the day after the **seventh Sabbath**;

The Feast of Trumpets ²³ Then Yahuah spoke to Moses, saying, ²⁴ “Speak to the children of Israel, saying: ‘In the **seventh month**, on the **first** day of the month, you shall have a Sabbath

The Day of Atonement ²⁶ And Yahuah spoke to Moses, saying: ²⁷ “Also the **tenth** day of this **seventh month** shall be the **Day of Atonement**.

The Feast of Tabernacles ³³ Then Yahuah spoke to Moses, saying, ³⁴ “... ‘The **fifteenth** day of this **seventh month** shall be the **Feast of Tabernacles** for seven days to Yahuah. ³⁵ On the **first day** there shall be a **holy** convocation. You shall do no customary work on it. ³⁶ For seven days you shall offer an offering made by fire to Yahuah. On the **eighth** day you shall have a **holy** convocation ... ”

See: *2014 Biblical Calendar* (excel)

30 ~ 30 ~ 31

Solar Time System

Refuted

As per 2014 calendar; starting with **spring equinox of March 20, 2014** and counting from the **day after** equinox, **March 21, 2014, being the first day of the solar New Year**, and counting to the summer solstice day and the September equinox and the December Solstices, you have the following:

Equinox	2014	March 20	to	June 21	=	93 days
Solstices	2014	June 21	to	Sept 23	=	94 days
Equinox	2014	Sept 23	to	Dec 21	=	89 days
Solstices	2014	Dec 21	to	Mar 20, 2015	=	<u>89 days</u>

365 Days

91 day seasons

The **91 day season** solar calendar suggests 4 equal seasons of 91 days x 4 = 364 with the last day being the equinox day of the next year giving you a 365 day years. This gives you a 30 day calendar each season but you must add one day at the end of the season for the equinox/solstices day. This is very balanced and orderly 91 days for all 4 season.

However; as you can see from the **actual equinox / solstices calculations**, each season does not have an equal number of days; thus, this reasoning **cannot be used**.

30 days x 12 = 360 not 365 days in a Year

Correct; but **12 solar months is Scriptural** and 13 lunar moon months is not.

5 Extra Days

Can you add the 5 extra days at the end of the 12th month?

Christ gave us an example:

John 11:9 Christ asked: “Are there not 12 hours in a day?”

This implies that the “*day*” is equally balanced with the night; 12 hours plus 12 hours. We know that the 24 hour cycle is divided up according to the sundial; 12 equal parts.

Scripture gives us other examples. The book of Revelation is a symbolic and prophetic book.

The interpretations of the main characters are symbolic and the results maybe literal to the point of **sound principles of prophetic interpretation**. That is, while the general points are to be interpreted literally, **literal interpretations are not exact**.

As is the case for a 24 hour cycle it has a 12 hour day and 12 hour night. It doesn't matter if there is 14 hours of day and 10 hours of night, there still will be a 24 hour cycle.

As is the case for a **360 day year**; which represents a cycle from **spring equinox to spring equinox**. The 30 day month is exact to the point of **sound principles of prophetic interpretation**; which results in adding 5/6 days at the end of the year.

Conclusion

After this short study you should come to the conclusion that:

The first day of the New Year is the first day of spring.

Not at the day after the first new moon **creseent** of the **satanic** lunar system.

(For an extensive research on this topic read “**Tzyon’s Deep Sea ~ Dry Docking Challenge ~ Noah goes Lunar**” Genesis 8:3; 150 days / 5 months of rain, **30** day month x 5 = 150 days.)

Appendix A

Pope Confirms Change Sabbath to Sunday

An Abridgement of the Christian Doctrine (1649) p 58 by Henry Tuberville, of Douay College, France (Google)

- Q. How prove you that the (Roman Catholic) Church hath power to command feasts and holydays?*
- A. By the very act of changing the Sabbath into Sunday, which Protestants allow of; and therefore they fondly contradict themselves by keeping Sunday strictly and breaking most **other feasts** commanded by the same (Roman Catholic) Church. (They knew that the Weekly and Annual Sabbaths are **both Feast Days** of God.)*

The Catholic Record, September 1, 1923 (Google)

*Sunday is our mark of authority, the (Roman Catholic) church is **above the Bible** and this transference of **Sabbath (to Sunday)** observance is **proof of that fact**.*

If God's Feast Days were first *abolished*, done away with, nailed to the cross; then the Pope would have nothing to **think to change**. Daniel 7:25. Even the Catholic Church knew that the weekly Sabbath is one of the God's **other festivals**.

Appendix B

Jews Started “Sunset to Sunset” Worship

The Jewish Festivals: History & Observance (by Hayyim Schauss - Schocken 1938) (Google)

At The Beginning of the Common Era ... In order to assure against profanation (*reason for the change*) of the Sabbath the **Jews added** the late **Friday afternoon hours** to the **Sabbath** (p. 13) ...The Sabbath in general, thus attained its peak in the first two centuries of the Common Era, the age of the Tannaim (70 A.D.- 200A.D.), as the Jewish teachers and sages of that period were called. However, there were **no Friday Night services as of yet**. ... **Later** it became **customary** to hold communal services in the Synagogue on Friday Night.” (p. 15.)

Ecc. 3:14 I know that whatever Yahuah does, it shall be **forever**. **Nothing** can be **added** to it, And nothing taken from it. (*Jew’s added their **IN VAIN** sunset tradition.*)

God’s Holy “Day Light” is “Dawn to Dusk”

Gen. 1:5 “Elohim (God) called the **light Day**, and He called the **darkness Night**.”

Scriptures is its own dictionary:

Light	=	Day;	=	12 hours
Darkness	=	Night;	=	12 hours
Day + Night	=	24 hours.		

God called; in other words, He gave us **His definitions** for **day** and **night**. This is His “**Law of First Precedence**”. We must use Scripture to define these very important words; especially when we have **direct quotes from God**. Our Creator did not call or define a 24 hour period as Day for its first definition. The “24 hour” day maybe another definition but it is not God’s Genesis definition is only a “12 hours” day. Knowing this removes a lot of confusion. This is the first definition for “day” which is the period that contains light only.

Christ Confirms

John 11:9 Christ asked: “**Are there not 12 hours in a day?**”

No one disagreed with Him! Everyone knew that the sun ruled the day and the day began with the first light and ended with the last light. Proof of this is the **sundial**; it is divided into 12 equal parts. When Christ lived on earth, **time started at the first light** and ended at dark. **Satan counterfeited the start of the day** too. We know that Christ was nailed to the cross on the **3rd hour**; (*Mark 15:25*) which is 9 am Roman Standard Time and died on the **9th hour**, (*Mark 15:34*) which is 3 pm Roman Standard Time. Summer or winter; it didn't matter, the day was divided into 12 equal parts. They were using the first ray of light to start the time of the **day light** season. Sunset to Sunset time was **never** used.

Gen. 2:3 Elohim (God) **blessed** the seventh **day** (*Light Only*) and made **it holy**.

1John 1:5 **God is light** and in Him is no darkness at all.

Day First ~ Night Follows

Exo. 16:22 Manna from Heaven And so it was, on the **sixth day**, that they gathered twice as much bread, two omers for each one. And all the rulers of the congregation came and told Moses. ²³ Then he said to them, "This is what Yahuah has said: '**Tomorrow is a Sabbath (seventh day) rest, a holy Sabbath to Yahuah. Bake what you will bake today, and boil what you will boil; and lay up for yourselves all that remains, to be kept until morning.**'" ²⁴ So they laid it up till morning, as Moses commanded; and it did not stink, nor were there any worms in it. ²⁵ Then Moses said, "Eat that today, for today is a Sabbath to Yahuah; today you will not find it in the field. ²⁶ Six days you shall gather it, but on the seventh day, the Sabbath, there will be none."

As in Genesis 1:5 the above gives a direct quote (red) from Yahuah defining what a day is and when the day starts. The sixth **day** is **followed by** the sixth **night** which is followed by the seventh **day** and day starts in **morning** at the first light, not in the **evening**. Sabbath does not start or end at "Sunset." There is no Scripture proof or even a hint of this. Yahuah confirms that night follows the day:

Jer. 33:20 "If you can break **My covenant with the day** and My covenant with **the night**, so that there will not be day and night in **their season.**"

Day and Night have their own "covenant" and "season."

Isa. 5:20 **Woe (cursed) to those who put darkness for light, and light for darkness;**

New Earth

Isa. 66:23 **New Earth** “From one New Moon to another and from one Sabbath to another, all mankind will come and bow down before **me**.”(Yahuah)

Psa. 113:3 From the **rising of the sun** to its **going down**,
Yahuah’s name is to be **praised**.

If the celebration of our Sabbath days, and our new moons, begins in the evening when the sun is down, why would Our Creator state that all nations shall praise His Name and worship Him *from the rising of the sun to its going down*? If the Sabbath started in the evening then this verse would make no sense whatsoever.

Day of Atonement

Leviticus 23:32 is the main text that is used to support the “day” beginning at sunset:

Lev. 23:26 Yahuah said to Moses, ²⁷ "The **tenth day** (Not Night) of this seventh month is the Day of Atonement. ³² It is a Sabbath of rest for you, and you must deny yourselves (by fasting, Acts 27:9). From the evening of the **ninth day** of the month until the following evening (the **tenth day**, see verse 27) you are to observe your Sabbath⁷⁶⁷⁶." (Sabbath = 24 hrs. not Sabbath “day” which is only = 12 hrs.)

The context is when we are to start the Day of Atonement, Annual Holy Sabbath, with “deny or affecting yourselves” which means to fast and review your life and your known sins to get ready for Judgement Day; which is the Day of Atonement. To consecrate yourself on the evening, dusk, of the **ninth day** to be ready for the **tenth day**, starting at sunrise, dawn, which is the solemn Day of Atonement (Not Night). This annual Sabbath spans two calendar dates: starts on the evening of the **9th** day and finishes on the evening of the **10th**. This is for the annual Sabbath Day of Atonement **ONLY!** This also confirms that the Sabbath day end at evening and not at sunset. If the day began at evening, Yahuah would have simply told Moses: “**Day of Atonement is on the tenth day of the seventh month.**”

Acts 27:9 Much time had been lost and sailing had already become dangerous because by now it was after the Fast. (Paul kept the Day of Atonement after the cross.)

Dan. 12:10 **End Times:** The wicked shall not understand, but the **wise shall understand**.

Will You Keep Only “Dawn to Dusk” Holy?

(Yes I will!) 😊

(No I won't.) ☹️

Appendix C

Satan Counterfeits ~ Crucifixion Day

Three Days and Three Nights

The **Roman Catholic** Church leaders are one of Satan's main agents. We know that **Satan counterfeits everything** good that God has. Examples of these are the Roman Catholic Church's decision to change Sabbath to Sunday and change the Annual Holy days to Annual **holi-days**; Christmas, Easter, etc. You should know that something is not right when the Roman Catholics say that Christ died on Friday and call that day "Good Friday" and also the Muslims' claim "Friday" as their holy day. The Roman Catholics also call "Sunday" Palm Sunday, believing Christ rose on Sunday. Knowing the history of Satan's agents, let's prove them wrong on both accounts from the only true source for all truth – **the Scriptures**.

Wednesday Crucifixion

Dan. 9:27 He will make a firm covenant with the many for one week, but **in the middle of the week** he will put a stop to sacrifice and offering. NASB

This states that Christ would die in the *middle* of the **week**, which would be **Wednesday**, not the counterfeit, Friday, as the Roman Catholics call Good Friday.

Matt. 12:40 "For as Jonah was three days and three nights in the belly of a huge fish, so the Son of Man will be **three days**²²⁵⁰ and **three nights**³⁵⁷¹ in the heart of the earth."

Mark 8:31 **Christ Predicts His Death and Resurrection** And He began to teach them that the Son of Man must suffer many things, and be **rejected by** the elders and chief priests and **scribes**, and be killed, and **after three days**²²⁵⁰ *rise again*.
(*Friday crucifixion = Friday night, Sabbath night = only 2 nights; impossible!*)

days²²⁵⁰ 1) the day, used of the **natural day** ("**Dawn to Dusk**")

nights³⁵⁷¹ 1) night, darkness

John 11:9 **Christ asked: "Are there not 12 hours in a day?"**

Matt. 28:1 Christ Has Risen: **After** the Sabbath, **at dawn** on the **first day** of the week, Mary Magdalene and the other Mary went to look at the tomb. ...⁵ The angel said to the women, "Do not be afraid, for I know that you are looking for Christ, who was crucified. ⁶ He is not here; he **has** (*past tense*) **risen**, just as he said.

The Scriptures states that Mary arrived at the tomb at the first rays of light, *at dawn on the first day*, on Sunday, to find that Christ **had already risen**. He rose on Sabbath, not on the counterfeit, Sunday, as the Roman Catholics call Palm Sunday.

For our Saviour to be in the grave 3 days and 3 nights, as the Bible, in Genesis 1:5 gives the definition of “day” (light hours) = “**Dawn to Dusk**” (and Christ confirmed in John 11:9, day = 12 hours) and “night” (dark hours); thus day and night = 24 hours x 3 = 72 hours; the only conclusion is a Wednesday crucifixion on the **9th hour** (3pm) and a Sabbath resurrection on the **9th hour** (3pm) = **3 days and 3 nights**, exactly as Scriptures states in Matthew 12:40

Let’s further confirm this from another Scriptural witness.

Dan. 7:25 *He (Roman Catholic Church) will speak against the Most High and oppress his holy people and try to change (counterfeit) the set times and the laws.*

Dan. 7:25... *think to change times of sacred feast and holy days and the law. Amplified Bible*

Appendix E

Black Pope

(From Google Web)

The **Superior General of the Society of Jesus** is the official title of the leader of the Society of Jesus—the Roman Catholic religious order, also known as **the Jesuits**. He is generally addressed as **Father General**. The position carries the **nickname of Black Pope**, after his simple black priest's vestments, as contrasted to the **white garb of the Pope; nickname, the White Pope**. The current, 2010, Superior General is the Reverend Father Adolfo Nicolás. **Saint Ignatius of Loyola** served as the **first Superior General in 1556**.

The **Black Pope** is Satan's **warlord** and the **White Pope** is Satan's **public relations man** so that in the end:

Rev. 13:8 **All inhabitants of the earth will worship the beast; all whose names have not been written in the book of life.**

Jesuit Oath

(From Google Web)

(Part of the Jesuit Oath)

The Leader States:

"Go ye, then, into **all the world** and take possession of **all lands** in the name of the Pope. He, who will not accept him as the Vicar of Jesus and his Vice-Regent on earth, **let him be accursed and exterminated.**"

My son, heretofore you have been **taught** to act the dissembler: among Roman Catholics to be a Roman Catholic and **to be a spy** even among your own brethren; to believe no man, to trust no man. Among the Reformers, to be a Reformer; among the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among other Protestants, generally to be a Protestant; and obtaining their confidence, **to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope;** and even to descend so low as to **become a Jew among Jews**, that you might be enabled to gather together all information for the benefit of your Order as a faithful soldier of the Pope. You have been taught your duty as a spy, to gather all statistics, facts and information in your **power from every source;** to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, **among the schools and universities**, in parliaments and legislatures, and the judiciaries and councils of state, **and to be all things to all men, for the Pope's sake**, whose servants we are unto death. You have received all your instructions heretofore as a novice, a neophyte, and have served as co-adjurer, confessor and priest, but you have not yet been invested with all that is necessary to command **in the Army of Loyola** in the service of the Pope."

The New Jesuit States:

"I do further promise and declare that, notwithstanding, I am dispensed with to **assume any religion** heretical for the propagation of the Mother Church's interest; to extirpate them from the face of the whole earth; and that I will spare neither age, sex nor condition, and that will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics; **rip up the stomachs and wombs of their women, and crush their infants' heads against the walls** in order to annihilate their execrable race. That when the same cannot be done openly I will secretly use the poisonous cup, the strangulation cord, the steel of the poniard, or the leaden bullet, regardless of the honour, rank, dignity or authority of the persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agents of the Pope or Superior of the Brotherhood of the Holy Father of the Society of Jesus."

*These are the highlights ... for the complete oath Google **Black Pope** and / or **Jesuit Oath**.*
